Add a Leased TracPhone V7 System to any Metered Rate Plan for only \$995/month!²

➤ **All Phone Calls to Land or Cell WORLDWIDE only 49¢/minute!⁴**

¹ Published data rates are rate plan maximums and may vary in different regions and under different conditions.

² All hardware leases require 3-year airtime subscription and are subject to KVH's 3-year Master Lease Agreement and KVH Airtime Services End User Agreement. Lease does not include installation time and materials. Taxes and fees may apply. GlobalCare Premium Support Program may be added for \$195/month. Contact KVH Sales Department or visit www.kvh.com/globalcare for details.

³ With Fixed Plans, outgoing calls and faxes are subject to long distance charges. See the "TracPhone V7 – Enhanced Voice Service – Fixed Plans Long Distance Rate Sheet".

⁴ With Metered Plans, both incoming & outgoing calls and faxes are charged at 49¢/minute. A few select countries & satellite phone services are blocked. Please contact KVH Airtime Services for special rates for these areas & services.

TracPhone V7 Enhanced Voice Service... the best in the business!

TracPhone V7's Enhanced Voice Service is a managed solution optimized for satellite communications and fully integrated into the mini-VSAT Broadband solution. Network voice prioritization protects the bandwidth allocated to each telephone line to guarantee the high quality of your voice connection and remains outstanding while other users surf the web, log into corporate networks, or send and receive e-mail. With TracPhone V7's Enhanced Voice Service you are guaranteed always-on voice connections and a great suite of convenient features and account management tools that you can access anywhere in the world!

mini-VSAT Broadband Coverage

The TracPhone V7 offers a tremendous coverage area with high-speed, reliable Internet and voice connections, bringing this exciting new service to the most widely used shipping routes around the world. For up-to-date mini-VSAT Broadband coverage information, visit: www.kvh.com/minivsatmap.

mini-VSAT Broadband Airtime General Subscription Conditions

- All plans, prices, rates, terms, and conditions are subject to change without notice.
- All prices are in U.S. dollars and do not include any taxes or fees that may apply.
- All plans are based on a minimum 1-year contract.
- Published data rates are based on the mini-VSAT Broadband network's service limitations and may vary in different regions and under different conditions. Subscribers will experience maximum speeds ship-to-shore that are 70-80% of the published data rates.
- Subscribers may increase their subscription plan during the contract period, but only prior to the new billing month.
- All services and plans are subject to the KVH Airtime Services End User Agreement and Fair Access Policy (FAP).
- Service suspension is allowed for 1-month increments for no more than 3 months every 12 months of service on Fixed Standard and Metered Megabyte Rate Plans only. A de-activation fee of \$100 applies and contract will be extended by the period equal to the suspension. Remote diagnostics and monitoring service fee remains during suspension period.
- A maximum of 5 Static IP addresses are available per modem.
- Virtual local telephone numbers can be added for a monthly fee of \$9.95 per number (5 per phone line). The list of available area/city codes worldwide can be found at www.kvh.com/mvbservice.
