

THINK GSMART .....▶ BE GSMART .....▶ JOIN GSMART

# G S M A R T

**GULF STATES –**  
Alabama, Florida, Louisiana,  
Mississippi, Texas

**MUTUAL –**  
interoperable  
between agencies

**AID –** providing  
assistance whenever  
and wherever needed

**RADIO –** voice  
communication  
reaching out to  
those who need  
to know

**TALKGROUP –**  
sharing critical  
information to  
get the job done  
effectively and  
efficiently

**THINK GSMART** In any emergency reliable, interoperable communications is your most valuable asset

**BE GSMART** Satellite communications is the perfect solution in remote locations or when land lines are down

**JOIN GSMART** The Louisiana Governor's Office of Homeland Security & Emergency Preparedness (GOHSEP) and MSV invite you to join **GSMART – Gulf States Mutual Aid Radio Talkgroup** – on a Gulf State wide Push-to-Talk satellite network.

## It's as easy as 1, 2, 3

1. Alert your associates this talk group is now available
2. Ensure your radios are currently active on the network
3. Contact [GSMART@OHSEP.Louisiana.gov](mailto:GSMART@OHSEP.Louisiana.gov) for an application and copy of the Gulf-States Mutual Aid Radio Talkgroups (GSMART) Standard Operating Procedures (SOP)

**Best of all... there is no additional charge to users!\***

## Think **GSMART** Today!

Please direct this notice to the operator of the Mobile Satellite Ventures' **Push-to-Talk Radio** immediately, so you can Join **GSMART** Today!

\*This talkgroup will be made available without additional cost, to existing and new MSV Push-to-Talk (PTT) customers who have an active service agreement with MSV on applicable dispatch service rate plans with the approval of The Louisiana Governor's Office of Homeland Security and Emergency Preparedness
